

## Our Cellar Collection

### About Our Selection

*We strive to offer a collection and variety of wines to satisfy every palette. Our selection is California, Washington and Oregon with just a few necessary French Champagnes. Why?*

*Because here at Bayfront Bistro we appreciate the delightful variety and outstanding character and quality of the wines produced by our friends on the West Coast. Many of these winemakers have devoted their entire lives to the development of that special wine. They are living the American Dream and we believe it is important to support that quest by these folks who dedicate their lives to the rich terroir of our country.*

*Please join us in our celebration of America's wonderful wines. Whether by the glass or bottle, we believe you will be pleased. Ask for our advice. We spend many hours enjoying the discovery of these wines of "The New World".*

*In November 2009 the generosity of our customers and friends enabled us to donate over \$70,000 to the local chapter of the Susan G Komen Foundation for the defeat of Breast Cancer. It is a cause we believe deeply in. You can help. Many wines on our list have the Komen logo beside the description. Each bottle of these wines that we sell results in a donation of, at least, \$2.00 to Susan G Komen. In some cases our suppliers are matching our donation. We invite you to select one of these fine wines so that we can continue our support for this cause.*

*Thank You For Your Patronage. Enjoy!*

## Champagnes/Sparkling Wines

*Here we depart from our stated goal...at least a bit.*

*California winemakers continue to develop and improve in their quest to make sparkling wine the equal of the great Champagne vintners of France. Many, like Domaine Chandon and Mumm's, have brought their skills across the Atlantic and are producing wonderful sparkling wines. Nevertheless, it is our opinion that the wines of Champagne are uniquely extraordinary and not yet duplicated in this country. We believe the festive nature of Champagne is best served by these great wines of France.*

*There is one very unique exception. Jack Davies (deceased) began a tradition of great sparkling wine in 1965 that continues today under the guiding hand of his son Hugh. The wine is Schramsberg!*

*If you love Champagne we encourage you to experience the wonderful Schramsberg collection.*

*Whatever you choose, we are sure you will enjoy the character and fun of our sparkling wine selection.*
