The Wines

By the glass or bottle

Schramsberg Brut Rose 2006

Founded in 1862 by a German immigrant barber, Jacob Schram, the winery established itself as the premier sparkling wine producer in America under the guidance of now deceased Jack Davies and his wife Jaime. Their son Hugh produced The Brut Rose 2006, most strongly influenced by bright, flavorful Pinot Noir grown in Carneros, Anderson Valley and the Sonoma and Marin County coastal areas. A few small lots of Pinot Noir are fermented in contact with their skins to add depth and subtle color to this unique sparkling wine. Chardonnay gives spice, structure and length on the palate.

Perfect to celebrate the joy of family and friends on this special day.

B.R. Cohn Sangiacomo Vineyard Reserve Carneros Chardonnay '09

The 2009 B.R. Cohn Reserve Chardonnay is packed with wonderful tropical fruit, fig and apricot aromas and luscious flavors of honey, apple and pear on the palate. 100% barrel fermented in only new French oak barrels and aged sur lies for eight months, adds a rich bouquet of toasty oak, vanilla, caramel, and hazelnut. The silky mouthfeel is followed by a long, smooth finish. Match it with Grouper, salmon or snapper today.

Freemark Abbey Napa Cabernet Sauvignon '06

On the nose, this wine shows black currant, blackberry compote, juniper berry and dark chocolate, with cinnamon and clove. The oak is well integrated with a slight nuance of aromatic cedar. The flavor has full cherry-berry notes with cassis and a fleshy mid-palate over a bed of resolved tannins. A very inviting wine, it is full flavored from start to finish, and a perfect wine with our Prime Rib today.

Ponzi Willamette Valley Pinot Noir '07

This wonderful Pinot from the heart of the Oregon wine region expresses itself with lots of fruit and a soft but very long finish. Maria, Michel and Luisa Ponzi have followed their father's lead and are producing really great Pinot Noir in the Willamette Valley.

Enjoy this wine with your traditional Thanksgiving dinner and you'll add to the festive nature of the day.
